

Week 1

Book Week

It's Book Week at sKids! So come along and make your own bookmark, play games based off childhood stories and make delicious Mother Goose Popcorn! Yum!

Week 2

NZ Native

We're winding things back this week to all things New Zealand Native! Make your own Poi and learn the moves! We'll also be creating Native Bird Art and mouth-watering Afghan Biscuits!

Week 3

Water Cycle

Do you know where the water in the clouds come from? Find out at sKids this week with our Rain Cloud Experiment and Umbrella Art! Learn the water cycle song and have fun with our states of matter group game!

Week 4

Elements

Fire, Water, Earth and Air! Have fun with a weeks full of activities based on each Element! With Watercolour Painting, Fire themed Simons Says, Paper Plane Competitions and Edible Flowerpots, we have something for everyone!

Week 5

Four Seasons

Create Tree Art and learn a song based on each of the Four Weather Seasons before playing a Springtime themed Rob the Nest Game and creating Edible Winter Snowmen!

Week 6

Fit for a Queen

It's the Queens Birthday! So, we will be doing all things Fit for a Queen this week! Try out your silliest voice and accents in our Good Evening Your Majesty Group Game, before playing Trivia, the Queens favourite game and having a special High Tea Party!

Week 7

Balloon Blitz

Balloon Animals, Towers, Races, Challenges and Rockets! It's all things Balloons this week, Get creative, competitive, experimental and more! Just don't POP!

Week 8

Leap into the Week

Leap into week 8 with bouncing, jumping frogs before learning the Little Speckled Frog Song, competing in Leap Frog Relays and enjoying tasty Edible Frog Life Cycle snacks!

Week 9

LOL Week

This Thursday is International Joke Day! So, we're celebrating with a week full of laughs and giggles! Create Joke Telling Fortune Tellers, Fill in the Blank Funny Stories, play Silly Bananas and then eat a Laughing Mouth made from Apples and Marshmallows!

Week 10

Across the Ditch

Travel Across the Ditch this week and immerse yourself in all things Australia! We'll be creating Aboriginal Dot Painting, DIY-ing Didgeridoo's and hosting Boomerang competitions, before eating some delicious Fairy Bread while we debate who truly invented it?
