Week 01

Bikini Bottom Bash

Take a dive down to Bikini Bottom and learn all about friendship and kindness from SpongeBob and his friends! We'll play Squidward tag and make cardboard planktons!

Week 02

Save our Seas!

In celebration of World Tuna Day, learn all about sustainable practises and how to protect our seas. Create a rod and reel, learn about seabed mining, bottom trawling and get crafty with paper fish!

Week 03

Hands Up for NZSL

Together we can make NZSL thrive! This week is about inclusion and learning a new language – one spoken with our hands! Learn basic signs and use them to play snakes and ladders. We'll also get crafty and more!

Week 04

Bee-lieve in yourself

Bee-lieve in yourself this week as you create your own beehive, play stuck in the honey with your skids mates, create LEGO Bees and have more Bee fun! We'll also make some delicious honey cookies...yum!

Week 05

Jam to your own tune

Wrap up NZ Music Month with splatter painting, DIY instruments, water experiments and body percussion! Compete in a dance off where you move and grove without the tissue falling from your head!

Week 06

Dynamic Disasters

This week we learn from Tawhirimatea, Ruaumoko, and Tangaroa, the gods of weather, earthquakes/volcanoes and the sea as we learn all about natural disasters and how the weather affects us.

Week 07

A Rawr-some Week

Did you know there were more than 700 dino species? Learn rawr-some facts this week and play games like dino stomp and dino dino wheres your egg? Create origami, pop up eggs and more!

Week 08

Knight to E4

Compete in week long competition and work together to create a new game! Learn how to play Watermelon Chess and let your imagination run wild with our two drawing games.

Week 09

5+ a day

Play our fruit salad game and then enjoy a tasty rainbow salad all before creating a patch to plate art project, handprint carrot patches and learning all about important vitamins and minerals.

Week 10

Cosmic Collisions

Create moon rocks and constellations made from pipe cleaners this week as we celebrate international asteroids day! Learn all about the moon phases and compete in a game of asteroid toss!
