## FRIDAY

### Stack & Spin Squad

Co-ordination, competition and memory are tested! Using Official Speed Stacks you can literally build your skills! Get your spin going with speed cubing solving Rubik's cubes!

## Booking Information

If you normally book everyday, Stay And Play, your child will automatically join each class or club option that is being delivered on that day.

- To book for a particular class or club for the Full Term: Use the Regular or Recurring Booking tab.
- To booking for just one class or club for the Full Term: remember to only book for that particular day in the Part Week options listed on the Regular or Recurring Booking tab.
- To book the odd day here and there, use the Casual Booking (Full Booking View) tab.

*Important message: Class and Club options are designed to run across the Term. Completion of any activity can only be guaranteed if you child attends each session of that class or club. If your child attends less sessions, they will still have the opportunity to jump into the class or club for the days they attend.*

*Note: Any bookings made after 5 weeks from the start date of this activity will count as Casual Bookings.*
